Building and public works

Welding works

5 fingers heatproof cow split leather glove, 15 cm split leather cuff. Glove and cuff totally 100% wool lined. 100% para-aramid sewing thread.

THE + PRODUCT

SOFTNESS

The quality of the cow split provides to the glove ANTDP15 a good softness.

RESISTANCE

The anti-heat treatment of the cow split offers a very good resistance to the splashes.

PROTECTION

The 15 cm lined split leather cuff offers an excellent protection of the forearms.
