

EMBEDDING BOX FOR BEOKEY-C / BE TOUCH-C PANELS

CE-BEO-C Embedding box is intended for flush mounting Beoview Compact panels.

Box is made with zinc plated mild steel. Zinc plating is performed after mild steel processing, ensuring all edges are protected against elements. Box is supplied with two small PVC gaskets (top and bottom), to be attached to Beoview Compact panel, prior to mounting.

Dimensions	118 x 292 x 33 mm (W x H x D), 120 x 300 x 35 mm (W x H x D) packaging
Weight	0,6kg (total with packaging)
