

LUA

Basin mixer Eco+, projection 118 mm, fixed spout, without pop-up waste

Acoustic level (dB) : Group 1 (Up to 20 dB)

Aerator type : Honeycomb PCA

Application : Basin

Cold water starts in the central position to save energy

Faucet type : Single-lever, Single-lever

Finish : Chrome

Flow rate (l/min - 3 bar) : 4.2

Handle position : Top

Installation type : Deck-mounted

Material : Others

Net weight (kg) : 1.01

Novelty : New

Standards and approvals : A

Type of cartridge : Ceramic headwork

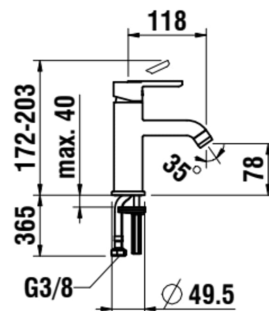

Waste not included

Waste type : Waste not included

Water and energy-saving

Water connection diameter : 3/8"

## TECHNICAL DRAWINGS

## LUA

A design language that has been reduced to the essentials. Clear, geometric lines united in one continuous form. This results in a versatile bathroom programme for private and public architecture alike. With LUA, Toan Nguyen has succeeded in creating yet another stylistic bathroom culture that will be a long-term common denominator. The collection of fittings designed with the same ambition, perfectly shaped bathtubs and the extensive LANI furniture range complete LUA are turned into a true total bathroom solution.
