11-421
11-425

11-423
11-427

Designed to make the selection of hand protection easy

Light Duty

11-421

Multi-Purpose

Medium Duty

11-423, 11-425, 11-427

Cut-Protection

Whatever industry, the HyFlex indicator system helps the wearer to select the right protection for the job.

- The smart combination of abrasion and cut resistance. Provides not only the protection needed in dry and slightly oily environments, but also educates workers to understand risk levels.
- Designed to make the selection of hand protection easy. The indicator system on these HyFlex gloves simplifies the selection of the right glove for the job for increased worker safety.
- The colour indicator system on the glove ensures the wearer of always having the appropriate cut level performance.

Industries

- Automotive & transportation
- Construction
- Glass
- Logistics & warehousing
- Machinery & equipment
- Maintenance
- Metal fabrication
- Public utilities
- Recycling

Applications

HyFlex 11-421

- Delicate manipulation
- Finishing works
- General handling
- Packaging

HyFlex 11-423 & 11-427

- Aeronautics
- Assembling metal parts and components
- Assembly of large appliances
- Cutting small dry or lightly oiled parts
- Finishing works
- Glass manufacturing
- Maintenance
- Plastics injection and moulding

HyFlex 11-425

- Handling of glass sheets, sharp edged objects
- Handling of metal sheets, cutting of dry, painted or galvanised pieces
- Maintenance

Performance Profile

- INTERCEPT TECHNOLOGY® blends engineered, and synthetic fibers into high-performance yarns that provide superior cut performance along with great comfort and high dexterity.

Key Features

- Water-based process is environmentally friendly, and has an innovative coating.
- Silicone-free and DMF-free.
- Excellent abrasion resistance.
- 11-423 and 11-427 are made from high performance and highly visible fibres resisting to the heat up to 100°C (212°F).
- 11-425 is a seamless knitted glove, made with INTERCEPT technology.

Technologies

INTERCEPT™ Cut Resistance Technology

Oeko-Tex only applies to 11-421, 11-423 & 11-427
