

Pikkala, March 18th 2020

Subject: ROHS compliance

Dear customer

At the best of our knowledge, the products we supply to you, are supposed not to contain substances regulated by the ROHS European Directive, 2015/863/RoHS 3 in quantities exceeding – by weight of one or more homogeneous material composing the supplied product – the percentage relevant to the requirements of said EU Directive

Prysmian Group Finland Oy
