

**16 November 2022**

Dear Madam/Sir

We wish to advise you that in accordance with Regulation (EC) No. 1907/2006 of the European Parliament (REACH) our company has been identified as a downstream user of chemicals and producer of the articles.

According to the 33ed and 57th art. of the Regulation we would like to inform you that the granulates and cables that we produce in NKT S.A. site are considered as articles without any substances of very high concern (candidate list of SVHC, last updated 10 June 2022).

We also want to emphasize that our goods are manufactured in accordance with:

Directive 2011/65/EU of the European Parliament and of the Council as regards the list of restricted substances (RoHS 3)

Regulation EU 2019/1021 (POP), update 18.08.2020

Regulation (EU) 2017/821 (conflict minerals), ver 6.1 from April 2021

TSCA (EPA), update 6.01.2021

and any substances mentioned in documents above are intentionally used for production
